

Balneolgy

The Gave de Pau and the Gave d'Oloron (some rivers), as well as Adour, cross the territory, conferring a natural wealth. It offers a real alternative to the classic tourist destinations that go on the South Landes's coast, the Basque country or Dax.

All around the Aroha house, go and visit the balneo towns as Salies de Béarn, Dax or Saubusse

- Thermal baths of Salies de Béarn
- Thermal baths of Dax
